

San Pedro High Offers Grammar School Course

"All adults who have not had the opportunity to receive a grammar school education may do so now through the San Pedro Evening High School," announced Glenn Gardiner, principal.

A class in basic fundamentals is being offered by the adult school on Wednesday evenings from 6:30 to 9 p.m. William McMillan is the instructor.

The basic fundamentals course consists of spelling, proper use of words, meaningful application of numbers in everyday situations, and advancement in reading skills. These are interestingly taught step by step.

"A grammar school education is a necessity for all jobs other than unskilled labor," said Mr. Gardiner. "The school term is just starting, and we hope that all men and women, desiring this training will take advantage of this opportunity."

Governor Endorses Reorganization of Lower Courts Bill

Governor Earl Warren has added his endorsement to Proposition No. 3 according to the Los Angeles County Committee of the State Bar Association. The governor said, "Your vote for Proposition 3 is a vote to establish a democratic, simplified, uniform, efficient system of courts, close to the people and responsible solely to them. I heartily endorse it."

Proposition 3 reduces the types of lower courts from eight to two and eliminates unnecessary duplication of the expense of uneeded courtrooms, judges and clerks.

Joe Bookman, president of the Justices' and Constables' Association of California, also said, "Our members are officers of the lower courts and serve in them every day. We know how urgently reform is needed. We have studied Proposition 3 and strongly recommend a 'Yes vote.' This measure will give the people better courts."

CIVIL SERVICE EXAM STUDY NOW AVAILABLE

An eight-week course in the study of Civil Service examinations is a new offering for the fall term at San Pedro Evening High School, according to Glenn N. Gardiner, principal. The class meets on Wednesday evenings from 7 to 9:30 in Room 111. Lawrence McBride is the instructor.

This course is designed to help familiarize and coach those seeking public jobs with the various types of civil service examinations. Enrollment is open to anyone 18 years of age and older regardless of previous education. There is no tuition.
